

Welcome competitors, families, and officials of the Hockey Australia U13 Boys National Championships.

On behalf of Shoalhaven City Council I would like to welcome all competitors, officials and supporters taking part in the Hockey Under 13 Boys National Championships, 29th September – 6th October 2012.

The Championships is an exciting event providing the perfect vehicle to showcase the many tourism destinations and high class facilities the Shoalhaven has to offer.

I would encourage all competitors and your families to get out about and enjoy our region during your stay.

Outside of Sydney we are the most visited area in NSW, so why not see what all the fuss is about by choosing to extend your stay little longer.

Shoalhaven City Council is extremely proud to be hosting the Hockey, Under 13 Boys National Championships and I would like to all competitors the best of luck for the tournament.

Paul Green
